

We provide end-to-end
solutions with strategic
and holistic approach

GAGGAR & PARTNERS
Solicitors & Advocates

ABOUT US

We are a full service law Firm, with its principal office in New Delhi. We have established with an aim to provide one –stop solution to its clients, delivering comprehensive, pragmatic and quality legal services.

We prides ourselves in bringing about an invaluable synergy of 5 decades of experience of the Senior Partners with the energy and focus of the new generations. Along with a deep foundation in the general laws that affect any business, whether private or government, the Firm has focused extensively into niche areas of developing laws (New Age Economic Legal Issues) such as Cyber, Gaming, Anti-Trust and Competition, White Collar Crimes (including Money Laundering) and Regulatory verticals such as the Real Estate Regulatory Act, Environment, NCLT, Intellectual Property etc.

We have been called upon to draft the Bill for “Nagaland Prohibition of Gambling and Promotion and Regulation of Games of Skill Bill, 2015” which got enacted in 2016.

We were also involved in bringing out regulated and licensed regime to provide complete legitimacy for companies operating in the domain of 'Games of Skill' in India.

Our Vision

Our vision is to become a globally recognized law Firm known for being Partners-in-Progress with expertise in niche practice areas. Our aim is to go beyond the traditional methodologies to provide value contribution to the businesses. With an objective to exist in the top 1 percentile category of firms known for dealing with the complex matters, we intend to deliver innovative, pragmatic and quality legal solutions.

KEY PRACTICE AREAS

Business and Corporate Laws

We cover a broad spectrum of intra & inter Corporate Business Affairs including strategizing and advising on Commercio-Legal Issues, Structuring of Private Equity / Joint Venture / Venture Cap/ M&A Transactions, Domestic and International Acquisition/ Expansion Strategy & Documentation, Risk Assessment and Mitigation etc. We are equally at ease in boardrooms as we are in courts.

We provide guidance to domestic and international clients on matters relating to general corporate compliance including but not limited to Investment Regulations, Sectoral Caps and Regulatory Issues/Compliances. The clients for this practice area hail from across sectors including but not limited to Telecom, E-Commerce, Technology, ITES, Power, Healthcare, Real Estate, Defense, Retail, Pharmaceuticals, Education, Infrastructure, Media and Automobile.

Anti-Trust/Competition

We have an in-depth Knowledge, Experience and Understanding of the various facets of Competition Law in India. We have undertaken some of the most complex and high stake Anti-trust/ Competition matters in the country. We pride ourselves in being one of the leading team involved in almost every case where jurisprudence is being settled in the Competition regime in India, including in cases involving Cartels and Leniency petitions, interplay of Competition Laws with Intellectual Property Laws, Bad Faith Litigations, Overlaps and Positioning of other Regulatory Regimes vis-a-vis the Anti-Trust Regulator, issues of FRAND & SEP's, Anti-Trust issues in Defacto IPR's and the explosion in scientific developments balanced with corresponding rights of IPR holders, competitors and consumers.

We were engaged by the Anti –Trust Regulator of India in some of their most complex and high stake cases in the past. Having been recognized for our expertise in the domain we are often called-upon to represent global and domestic corporations for prosecution and defence before various fora and for advisory and structuring in high stake deals.

Claims & Disputes

We have one of the finest team of litigators who are trained to succeed in the most difficult of terrains. We strive to identify and achieve the best business solutions for our clients and are equally at ease with prosecuting or defending on behalf of our clients, before Courts (including the Supreme Court of India and various High Courts), Domestic or International Arbitrations or Regulatory Forums/Tribunals, NCLT, CCI, etc.

We have an extensive experience of handling complex disputes having domestic and global ramifications, cutting across various industry verticals such as Telecom, E-Commerce, Technology, Real Estate, Automobile, Media, Gaming, etc.

Corporate/White Collar Crime & Money Laundering

We are one of the few firms having a dedicated team looking into White Collar cases spanning across Banking Frauds, CBI Investigations, SFIO & Police Investigations, Cyber-Crimes, Corporate & Governmental Scams, Money Laundering, etc.

We regularly advise our clients, including multinational companies, private equity investors and their Indian portfolio companies on matters pertaining to Anti-corruption and Ethical practices.

Gaming and Sports Laws

We offer a wide range of services for the Gaming & Sports industry. We work closely with Corporations, Sports Personalities, Clubs and Organizations to help them comply with legal requirements and clear legal risks.

We believe in a proactive approach and recently took a giant step forward and evolved a methodology to bring about a regulated and licensed regime which could provide complete legitimacy for Companies operating in the domain of 'Games of Skill' in India.

The Partners at the Firm are often called-upon to address domestic and international conferences on E-Sports, Gaming, Sport Betting, Casinos, Lottery, etc. We are recognized as being one of the premier organization who understand the business domain in which Gaming and Sports Law operates and have structured a number of pioneering ventures in this vertical.

Cyber Law & Cyber Security

We advise our clients on Cyber Laws, Indian Information Technology Laws, Data Protection, Technology Transfer, IP Protection, E-Commerce, etc. We provide services pertaining to Software Licensing, Development and Support and Website Development Agreements. We assist our clients in drafting agreements such as Shrink Wrap Agreements, Click Wrap Agreements and Software License and other general agreement across the sector. We also assist the IT companies in protecting their Information Technology-Related Compliance.

We represent our clients in the Cyber Regulatory Tribunal, Cyber Regulatory Appellate Tribunal, High Courts and the Supreme Court in matters relating to Internet Fraud, Hacking, Privacy and Security Related Issues, Domain names etc. We have significant experience in advising our clients in establishing strategic alliances between suppliers and buyers in India and abroad.

Telecom & Broadcasting

We have represented the telecom regulators as well as private organizations for Policy Formulation, Advisory, Structuring and Litigation Strategy in the Telecom, Broadcasting and Internet Space.

With the deep understanding of the rapidly changing technology landscape, we are perfectly poised to partner with our clients to provide critical strategic inputs which would not only help them to identify opportunities but also to create new growth verticals.

Our wide-ranging experience includes regulatory approvals and compliances – including legislative and policy advocacy; transactional representation and disputes. Our experience and the people in the team offer the most suitable and cutting-edge legal solution to our clients.

Environment Laws

We assist our clients on regulatory compliances related to Environment Protection Laws including E-Waste Management issues and are well versed with the various rules and regulations relating to the domain.

Over the years, we have been involved in some of the most high profile cases pertaining to the Environmental Protection Act along with its allied laws before the National Green Tribunal, Delhi High Court as well as Supreme Court of India.

In the ever changing scenario of environmental litigation and issues arising in transactions, our client value our deep understanding of the subject and the regulatory inter-play that goes along with the terrain.

Real Estate

We are well versed with a range of real estate structures and have a wide range of experience of handling complex issues in this sector. We advise some of India's largest real estate focused funds and real estate companies in Investments, Joint Ventures, Property Acquisitions/ Sales, And Leases.

With a solution-oriented approach & commercial understanding, we have an ability to deliver complex deals & handle the entire property 'life-cycle' from the Title Investigation, Initial Acquisition, Development, Leasing, Joint Venturing and Financing through to the final Exit.

Our team has done extensive work in the Real Estate Sector included issues related to FDI, Corporate Finance, Tax, Asset Finance, etc. We have successfully structured a large number of high ticket transactions in the Retail, Hospitality, Commercial and Residential Segments.

Our strength and scalability allow us to simultaneously handle multiple cases pending before the Courts, Arbitration Tribunals or the Consumer fora. The partners of the Firm are often invited by leading news channels as experts for their views on real estate related issues including the Real Estate Regulatory Act etc.

Media & Technology

We have in-depth knowledge in all regulations pertaining to Broadcasting and Technology. We advise our clients on issues ranging from Cyber Laws to Digital Copyright matters to the convergence of Media and Network Technologies.

Constantly updated with the technology and its developments, we advise our clients on Software Protection, Data Protection, Domain Names Dispute Resolution, Technology Transfer and Technical Assistance Agreements and Full Litigation Support in recovering losses due to cybercrime.

Financial And Advisory Arm (FAAA)

We have a Financial and Advisory Arm ('FAAA') that is headed by Mr. Gaurav Gaggar who is a Chartered Accountant and an integral part of the team. Mr. Gaurav Gaggar is ex Deloitte and VP of a Grade A merchant banking Company who specializes in financial advisory, structuring and valuations. 'FAAA' possesses significant expertise in Valuations, Financial Structuring and Investment Banking specially in terms of the technology landscape and we handholds and partners a number of Companies through the entire process from Setup to bringing about investments and the eventual exit strategy. FAAA also plays a significant role in advising through complex commercial and economic disputes.

We provide end to end service in respect of disputes, business strategy, regulatory landscaping, strategy and structuring with the moto to serve the interests of the Clients with the best legal advise built on the edifice of implicit trust through the process.

Intellectual Property

We provide end-to-end services in the IP domain, both for Contentious and Non-Contentious issues. We pride ourselves in coming up with out - of - the box solutions and are deeply involved with corporations from a Start-up to a mature level in this regard. We understand that intellectual property rights need to be protected very vigilantly as they are the foremost vehicle driving the growth of a corporation.

We assist clients in Prosecution, Advisory, Enforcement, Non-Contentious Transactional Work, and Contentious Litigation, involving all forms of Intellectual Property including Patents Trademarks, Copyright, Designs, Plant Varieties, Geographical Indications and Domain Names. We advise clients on a variety of Intellectual Property Agreements involving Trademark Licensing and Assignment, Distribution Agreements, and IP related aspects of franchising transactions.

Apart from the well understood values ascribed to Trade-Marks, Copyrights and Patents, we also understand the intrinsic business values attached to innovation, strategy, concepts and trade secrets. Having structured end-to-end transactions where business and legal strategies were valued and given sweat equity, having helped raise private equity on such basis and having seen through a successful exit of the same, we believe that a new and very exciting chapter in the Intellectual Property Rights regime in India has commenced and we remain committed to evolving innovative and path-breaking solutions in the domain.
